Free document destruction and shredding!

Increase your resistance to identity theft and help save trees. Residents may bring up to 5 boxes of documents to shred per household. All shredding will be done on-site in the DPW garage.

Why destroy your documents?

- Protects your customers' and employees' privacy
- Prevents identity theft, dumpster diving, and information-based fraud.
- Complies with privacy laws and regulatory requirements
- Safeguards your intellectual property and proprietary information.
- Shields your company from liability.
