# Home Improvement Program

**M**onroe County's Home Improvement Program (HIP) provides grants and loans to income-eligible homeowners for home repairs and improvements in the suburban towns and villages.

Eligible repairs include structural (roof, foundation, windows, exterior paint or siding), major systems (plumbing, heating or electrical) and accessibility accommodations (ramps, lifts, doorways, bathrooms). Routine maintenance, remodeling and cosmetic improvements are generally not eligible repairs.

Depending upon household income and the cost of needed repairs, you may qualify for a grant up to \$10,000. Applications are processed on a first-come, first-served basis. Contact the Community Development Office at 753-2000 for additional information.

## Contractors

After you receive work specifications written by HIP staff, you will be directed to obtain estimates from at least three reputable contractors. Monroe County will pay the amount of the lowest estimate, up to the maximums listed. If you select a contractor other than the lowest estimate, you will be responsible for the difference between the lowest estimate and the contractor you select. The work needs to be completed to HIP specifications, and upon completion, HIP staff will inspect the work in order to authorize payment to the contractor. HIP funds cannot be used for work that has already been completed, and the program does not allow "materials only" grants.

## Grant and Loan Amounts

**Grants:** Families with household incomes below the limits are eligible to receive a grant for 100% of project costs, up to \$10,000.

**Accessibility Grants:** Households with a disabled member with incomes below the limits are eligible to receive a grant for 100% of accessibility improvements, up to \$2,500.

**Grant/Loan Option:** Homeowners with incomes below the limits are eligible to receive a grant for half of the project costs, or \$5,000, whichever is less. This grant may be combined with a low-interest (3%) loan through Monroe County's HIP Loan Fund, homeowner funds or funds from another source to cover the remaining project costs.

## Repayment

You will not have to repay a grant unless you sell or transfer ownership of your home within the affordability period, generally five (5) years after completion of the project. If you transfer ownership during this time, you will be required to repay the full grant amount. Terms of loans are determined on a case-by-case basis.

## Eligible Areas

Residents of all Monroe County towns and villages are eligible, except Greece, Irondequoit and the City of Rochester administer their own home repair programs. Homeowners in these areas should contact their municipality directly.

## Applications

Applications are available at most Town and Village offices, online at [monroecounty.gov](http://monroecounty.gov), and at Monroe County's Community Development Office. Complete applications, with all required documentation, should be submitted to the address on this brochure. If your application is approved, you will be contacted for an inspection of your home.
