Home Improvement Program

Monroe County's Home Improvement Program (HIP) provides grants to income-eligible homeowners for home repairs and improvements in the suburban towns and villages.

Eligible repairs include structural (roof, foundation, windows, exterior paint or siding), major systems (plumbing, heating or electrical) and accessibility accommodations (ramps, lifts, doorways, bathrooms). Routine maintenance, remodeling and cosmetic improvements are generally not eligible repairs.

Depending upon the cost of needed repairs and household income, you may qualify for a grant up to \$10,000. Applications are processed on a first-come, first-served basis. Contact the Community Development Office at 753-2000 for additional information.

"Monroe County's Home Improvement Program can help you make necessary repairs to your home. Homeowners have received assistance through this program since 1975. Please contact the Community Development Office for information."

- Household income within program limits (see income limits chart)
- Owner-occupied one or two-family home
- One complete year of ownership
- Prior HIP grant recipients are not eligible for repeat grants
- Prior first-time homebuyer grant recipients are not eligible to apply until the five-year affordability period has expired
- Mortgage must be paid current
- Property taxes must be paid current
- Less than \$50,000 cash or liquid assets
- Proof of homeowner's insurance
- Property value below maximum FHA mortgage limits (currently \$204,250)

Applications

Applications are available at most Town and Village offices; online at monroecounty.gov; and at Monroe County's Community Development Office. Complete applications, with all required documentation, should be submitted to the address on this brochure. If your application is approved, you will be contacted for an inspection of your home.

Income Limits (Effective 08/01/10)

Family Size	Maximum Annual Gross Income
1	\$37,350
2	42,650
3	48,000
4	53,300
5	57,600
6	61,850
7	66,100
8	70,400

Grant Amounts

Families with household incomes below the limits are eligible to receive a grant for 100% of eligible project costs, up to \$10,000.

Accessibility Grants: Households with a disabled member with incomes below the limits are eligible to receive an additional grant for 100% of accessibility improvements, up to \$2,500.

Repayment

You will not have to repay a grant unless you sell or transfer ownership of your home within the affordability period, generally five (5) years after completion of the project. If you transfer ownership during this time, you will be required to repay the full grant amount.

Contractors

You will need to get estimates from at least three reputable contractors based on work specifications written by HIP staff. Monroe County will pay the amount of the lowest estimate, up to the maximums listed. If you select a contractor other than the lowest estimate, you will be responsible for the difference between the low estimate and the contractor you select. The work needs to be completed to HIP specifications, and upon completion, HIP staff will inspect the work in order to authorize payment to the contractor. HIP funds cannot be used for work that has already been completed, and the program does not cover grants for "materials only."
